

LMS wants YOU to BE INVOLVED!!

Thank you for all that you do to help your child succeed. Because of your dedication and support, we invite you to join our Lowndes Middle School **Title I Family and Community Engagement Team**. The purpose of this team is to plan and carry out our mission of increasing Family and Community Engagement in our school, which will raise student achievement!

The Title I Family and Community Engagement Team consists of dedicated parents like you, school administrators, faculty/staff members, and the District Family and Community Engagement Coordinator. Since we understand and respect how busy you are, don't feel obligated to attend every meeting.

We value your input! At each Title I Family and Community Engagement Team Meeting, parents will be given an opportunity to provide feedback on the following Title I documents: District and School Family and Community Engagement Policies, School-Parent Compact, School-Wide Improvement Plan, and the Continuous LEA Improvement Plan (CLIP). You will also be given an opportunity to give suggestions on how the required 1% of the Title I Family and Community Engagement budget should be used.
